

Xerox Telecopier. Special delivery by phone.

It's a person-to-person delivery service that sends an exact copy of your mail from your telephone to any other phone in the country. In four minutes or less.

A Telecopier transceiver can send anything that can be sent by wire and many things that can't. Like floor plans, designs, diagrams, and pictures. And, by sending or receiving an exact copy of a document by Telecopier, there's never

any time wasted transcribing information or tracing errors that can occur with other methods.

It's as easy as talking by phone. In fact, you make voice contact on the phone first, then slip your letter, chart, photograph, or other document into the Telecopier. Put the phone receiver into the Telecopier cradle. Four minutes later an exact copy rolls out of the Telecopier at the other end.

You can rent this special delivery service for a very special price. Less than two dollars a day.

The Xerox Telecopier. It makes today's complicated communications network a lot less complicated.
